

WHITE RIVER TRAFFIC GROUP

TRANSLOADING, RELOADING, AND TRUCKING SERVICES
FOR RAIL SHIPPERS IN THE UPPER VALLEY

“At the Crossroads of New England”

Vermont Rail System is pleased to continue offering services to Northern New England rail shippers through "VRS-CONNECT" network member - White River Traffic Group, Inc. WRTG's strategic location in White River Junction, Vermont, combines convenient rail and highway access with a full service transload, reload and trucking operation. Shippers using the WRTG facility can enjoy the personalized just-in-time advantages of trucks with the economy of

long-distance high-volume rail. Multiple rail car spots and indoor/outdoor warehousing and storage operations all WRTG to tailor their operations to meet individual needs.

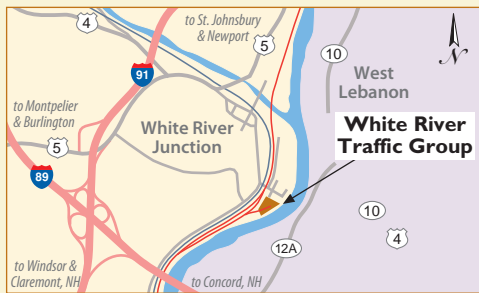

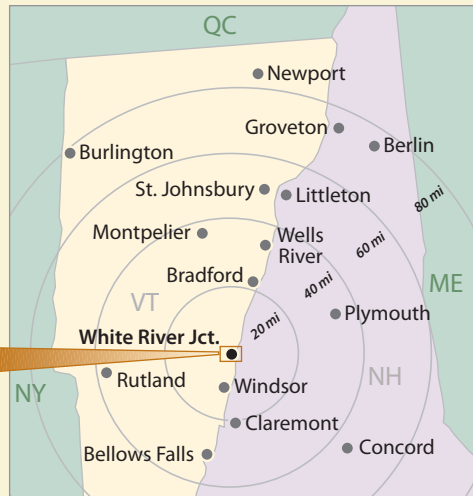

- Transloading, reloading, and local trucking/distribution
- In-house regional trucking fleet as well as agency services to outside carriers offering just-in-time service 24/7
- 5 acres of storage
